

COMMUNITY PROGRAMS

All community programs are free and open to the public.

OLDER ADULTS

As perceptions of aging continue to evolve, older adults are redefining what it means to age in place. At Manny Cantor Center, the Weinberg Center for Balanced Living provides older adults in the community with empowering classes, a jam-packed calendar of events, cultural celebrations, deeply discounted tickets to popular shows, and innovative health & wellness programs—free of charge.

On Mondays – Fridays, the Center also serves hot, healthy kosher breakfasts and lunches for a suggested donation of \$1 for breakfast and \$1.50 for lunch. We will be open and serving kosher for Passover meals during the week of Passover.

TEENS & COLLEGE PREP

The Boys & Girls Club of America Clubhouse at Manny Cantor Center, better known as “Edgies Teen Center” or “Edgies” in the community, is an engaging hub for teens who live or go to school in the Lower East Side. We offer after-school mentoring as well as free dynamic programming in performing arts, health & wellness, SAT prep, College Readiness, Keystone Club (Leadership Council), and discussion groups. Teens also have the opportunity to engage in enriching activities outside of Manny Cantor Center, including overnight college tours, and cultural experiences in New York City.
